

UNBEATEN BANBURY

WYCOMBE WANDERERS travel to unbeaten Banbury United tonight (Tuesday) for their third Premier Midweek Floodlight League fixture of the season. The match was arranged as a replacement for the scheduled home game against Walton and Hersham which was postponed due to Walton's game against A. C. Jeselo in the Barassi Cup.

With both Banbury and Wycombe facing big F.A. Cup battles on Saturday, it is unlikely that the teams will be at full strength. Wanderers have three injury casualties — Dave Bullock (ankle), Ian Rundle (back) and Tony Horseman (knee). All three had hospital treatment yesterday (Monday).

Banbury are currently top of their division in the Southern League, and have yet to be beaten in 15 matches this season. Their record in the league this season makes impressive reading. They have won eight and drawn three while their P.M.F.L. record is played two, won two.

They have beaten Wokingham 2-1 away and Chesham by the same margin at home. Leading scorer is veteran Tony Foster with 15 goals this term while three new players have helped United to the top. They are Archibald, a midfield player from Rugby, Pollard — a product of their Youth team and Hastie, another new

signing from Kettering.

Their team will be from ; Rennie, Svenson, Haynes, Molesdale, Butler, Archibald, Matthews, Pollard, Jaques, Duester, Hastie, Cassidy, Corgnale and Foster.

Wycombe will be hoping for an improved performance after their 0-0 draw at Kingstonian on Saturday as Banbury could prove to be one of the main challengers to their section in the P.M.F.L. Wanderers' results in the competition to date have been a 4-1 home victory over Wokingham and a 2-2 draw with Maidenhead.

The Blues' opponents in the third qualifying round of the F.A. Cup, Chatham, recorded a 3-2 away victory at Sheppey on Saturday in the F.A. Challenge trophy, but it cost them dearly.

One of their players was sent off for throwing a punch which means that they have had three booked and one dismissed in their last two matches.
